

Hot Springs High School Precalculus 4/8 – 4/12 Dr. Stockett

	Monday	Tuesday	Wednesday	Thursday	Friday
Vocabulary	Universe, event, probability	Mutually exclusive		Independent events	Baye's theorem
Content	Intuition for fundamental probability theorem. Simple urn problems.	Counting unions and simplification caused by mutual exclusivity.	Discussion, digestion, opportunity for scaffolding	Independence allows fundamental counting principle to apply.	If class is caught up, Bayes theorem. Else Discussion and scaffolding
Assessment	BOW assessment		MOW assessment		EOW assessment
